Where Land Meets Comfort

Welcome to 439 Spanoaks Drive, a rare Milton offering that blends nearly ten acres of rolling, picturesque land with a warm, thoughtfully designed home built for both everyday living and quiet retreat. From the moment you arrive, the setting invites you to slow down, breathe deeper, and take in the natural beauty that surrounds you.

Inside, the home features an open main level that flows effortlessly between the kitchen, dining, and living spaces, creating an ideal environment for connection and gathering. The first-floor primary suite offers convenience and privacy, while the in-law suite above the oversized two-car garage provides exceptional flexibility for guests, extended family, or a private studio.
